reject the NAB's petition 04-160

I benefit from listening to XM Satellite Radio and its traffic and weather channels because I am in sales and use XM instant details to avoid long delays in traffic. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and allow XM to provide the kind of programming that I demand, deserve, and, PAY for.

Respectfully yours,
Joseph Russo
